

NUTRITIONAL INFORMATION

Flavor Burst® BLEND SYRUPS

when used with a soft serve system

Serving Size: 0.122 fl oz / 3.6 ml

Serving size is based off a 5 oz serving of finished product, and when the serving includes 1 second of white cap time, and when base product dispenses from the freezer at a rate of 1/2 oz per second, and when the Flavor Burst syrup dispense rate is set at a level 2. For optimal blend and taste use a base product containing 5% butterfat or less.
