

Flavor Burst™

ELE 447 Membrane Spigot Switch Setup and Installation

INSTALLATION INSTRUCTIONS FOR THE MEMBRANE SPIGOT SWITCH (ELE 447)

- 1** Adhere the Membrane Spigot Switch (ELE 447) to the back side of the draw handle using the "Hook & Loop" fastener included.
- 2** Connect the electrical line to the Flavor Burst™ Keypad.

*If you have any further difficulty or questions during installation,
please contact your authorized Flavor Burst™ distributor
or contact the Flavor Burst™ Company for immediate assistance.*
